**[Replacement garage after demolition of existing. - The Stables \(formerly Gwendby Stables\) The Street Upper Farringdon Alton Hampshire GU34 3DS](#)**

Ref. No: SDNP/20/02291/PRE | Received date: Mon 08 Jun 2020 | Status: Pending Consideration | Case Type: Planning Application

**Parish Council Response:** The councillors objected not to a replacement garage, but that the proposed drawings and plan showed that the building was too large for the plot. The substantial increase in height gave them concerns to the affect it would have on neighbouring properties and the change in the overall aspect to the street. The height meant that it would be taller than the hedging.

The council therefore objected to the size of the replacement building.
